**GENERAL/GLOBAL OBJECTIONS TO PLAINTIFFS' REVISED WITNESS LIST**

Defendants object to the testimony of any Plaintiff or witness affiliated with a Plaintiff against any Defendant if said Plaintiff does not have a cause of action against that Defendant. *See* F.R.E. 401, 403. This is especially true with respect to those Plaintiffs who do not assert claims against certain Defendants and, appropriately, did not identify those Defendants as parties they are “suing” in the Joint Final Pre-Trial Order.<sup>1</sup>

For example, Plaintiffs Madison Hough, Govinda Hough, and Jason Hough do not assert claims against any of these Defendants and, appropriately, did not include them as parties they are suing in the Joint Final Pretrial Order (Dkt. # 508). Therefore, Defendants object to the testimony of Plaintiffs Madison Hough, of Govinda Hough, of Jason Hough and/or of witnesses associated with these Plaintiffs or any other Plaintiffs who do not have claims against one, some, or all of these Defendants as same would be irrelevant, wholly prejudicial, probative of nothing as to these Defendants and would mislead the jury. F.R.E. 401, 403. Accordingly, Defendants make the below specific objections as follows:
